FORD LTD CROWN VICTORIA

A STANDARD OF DRIVING COMFORT

Above: LTD Crown Victoria 4-Door Sedan in Silver Metallic.

Best-built American cars seven years running. For the past seven consecutive years, Ford quality has led all other American car companies. That's based on an average of owner-reported problems in a series of surveys of '81-'87 models designed and built in North America. It's the result of our commitment to product integrity.

The 1988 Ford LTD Crown Victoria is a reflection of that commitment. Though the look is more contemporary, full-size room and comfort, a big cargo capacity, V-8 power, a fuel-saving Automatic Overdrive transmission and an incredibly smooth ride remain Crown Victoria hallmarks.

Left: LTD Crown Victoria LX 4-Door Sedan with Brougham Roof Treatment in Deep Shadow Blue Metallic.

Some equipment shown may be optional. See options list on page 9.

THE FOCUS OF LTD CROWN VICTORIA COMFORT

Interior comfort is perhaps the most important reason for purchasing a 6-passenger car, and it's a commodity Crown Victoria has plenty of. Much of that comfort is attributable to sheer space. LTD Crown Victoria is actually roomier than 99% of the cars on the road today.

Seat design is an additional comfort factor. Reclining front split bench seats incorporate substantial frameworks which support molded foam cushions. Firm but flexible sprung mats provide a large surface for the cushions to rest on. And this year, new seat pads which improve lumbar support have been added.

To create an even more luxurious driving environment, both the standard and the LX cloth upholstery have been upgraded. Map pockets have been added to the front door trim panels. A freshened instrument panel appearance and other refinements, including functional drip moldings, add up to a 1988 LTD Crown Victoria improved in areas important to those who drive it.

Important, too, is Crown Victoria's practical side. The spacious, carpeted deep-well trunk is easy to load due to its low liftover height, and its 22.4-cubic-foot capacity is unsurpassed by any other American car. Crown Victoria

and Country Squire Wagons offer a generous 88.2-cubic-foot cargo volume index (with another 9.9 cubic feet in a lockable compartment below the floor and two cubic feet more in a lockable side panel compartment).

Also available in wagons are optional dual facing rear seats (standard in LX models, shown on page 7) and optional DuraWeave vinyl upholstery. It looks, feels and breathes like cloth, yet wears and cleans like vinyl.

And when optional power windows are ordered (standard in LX models) a lock-out switch allows the driver to deactivate the other windows for added convenience.

LTD Crown Victoria standard split bench front seats in Light Sandalwood.

The low liftover height of the deep-well trunk facilitates loading and unloading.

Crown Victoria controls are positioned to maximize visibility and reachability.

Crown Victoria's luxury door trim panels feature carpeted lower sections, front curb lights and handy map pockets.

LTD Crown Victoria LX interior in Shadow Blue.

Some equipment shown may be optional. See options list on page 9.

LTD CROWN VICTORIA CAPABILITY

Crown Victoria's suspension design and gas-pressurized shock absorbers give it its exceptionally smooth ride. And V-8 power with sequential electronic fuel injection, in addition to its reassuring response, provides the muscle for capable performance. When equipped with the optional heavy-duty trailer towing package, LTD Crown Victoria can tow trailers weighing up to 5,000 pounds.

For those who have occasion to load up their Crown Victorias for business, vacations, or any other reason, the optional automatic load-leveling suspension compensates for added weight and optimizes ride quality when the car is carrying its maximum load. This capability is especially important on long trips when a good ride is a prime consideration.

In addition to a big cargo area, LTD Crown Victoria and Country Squire Wagons feature the versatility of the 3-way doorgate. It's a Ford innovation which opens like a door for people (with the window open or closed), or swings down like a conventional tailgate for cargo.

LTD Crown Victoria's combination of comfort, convenience and capability is one that is truly hard to find in today's marketplace.

LTD Country Squire Wagon in Oxford White.

Some equipment shown may be optional. See options list on page 9.

LTD Crown Victoria Wagon in Dark Grey Metallic.

The 3-way doorgate, standard with wagon models, provides the necessary versatility to handle people- and/or cargo-carrying situations efficiently.

FEATURES AND OPTIONS

The LTD Crown Victoria LX 4-Door Sedan pictured at right includes Preferred Equipment Package 111A.

Preferred Equipment Packages benefit you in two ways: (1) They save you money. (2) They simplify the ordering procedure.

Here's how it works: (1) Choose your body style (4-Door Sedan or Wagon). (2) Select the Preferred Equipment Package with the features you want from the charts at right. The entire ordering procedure is greatly simplified. And the sticker price of the package is less than the total price if the items were purchased separately.

Package content subject to change. For the latest information, consult your Ford Dealer.

SAFETY AND OWNER BENEFITS

- Plastic
- Two-sided galvanized steel
- One-sided galvanized steel
- Urethane lower bodyside protection
- Corrosion protection wax
- PVC coating (underside only)

6-year/100,000-mile corrosion protection

LTD Crown Victoria's corrosion warranty coverage for body panel rust-through is 6 years or 100,000 miles, whichever comes first. See your Ford Dealer for details and a copy of this limited warranty.

The optional Tot-Guard is available at all Ford dealerships.

Ford Motor Company strongly encourages all passengers to use their safety belts.

Ford urges the use of child and infant restraints. Ford's easy-to-install Tot-Guard (for children 20 to 50 pounds) and Infant Carrier (for children up to 20 pounds) are available at all Ford Dealers. If a child restraint requires a top-tether, Ford cars provide for attachment of an anchor at each rear outboard seating position.

Ford Lifeguard Design Safety Features Vehicle operation

- Hydraulic brake system with warning light
- Corrosion-resistant brake lines
- Flash-to-pass headlamps
- Turn indicator with lane-changing signal feature
- Hazard warning flasher
- Backup lamps
- Side marker lamps
- Parking lamps coupled with headlamps
- High-mount brake lamp
- Interval windshield wipers
- Windshield washers
- Dual remote-control rearview mirrors
- Glare-reduced instrument panel, windshield wiper arms and windshield pillars
- Uniform transmission shift quadrant with safety switch
- Continuously variable control illumination intensity (instrument cluster lighting)
- Safety hood latch system
- Function-rated windshield defroster system
- Tamper-resistant (non-reversing) odometer
- Speedometer with highlighted 55 mph

Occupant protection

- Energy-absorbing armrests and safety-designed door handles
- Energy-absorbing instrument panel with padding for right and center front passengers
- Energy-absorbing sun visors
- Energy-absorbing front seat back tops
- Head restraints for front outboard occupants
- Safety glove box latch
- Inside yieldaway rearview mirror
- Impact-absorbing laminated safety glass windshield
- Flame-resistant interior materials
- Safety-designed coat hooks
- Safety-designed radio control knobs and push buttons

Anti-theft

- Locking steering column with key reminder chime (with "Park" interlock for key release)
- Visible vehicle identification number

6-year/60,000-mile powertrain warranty

Ford's powertrain warranty covers all 1988 cars for 6 years or 60,000 miles, whichever comes first. This limited warranty covers major powertrain components.

Certain restrictions and deductible apply. Ask your dealer for a copy.

Scheduled maintenance

Here are some examples of scheduled maintenance intervals for the 1988 Ford LTD Crown Victoria. For complete maintenance recommendations, refer to the Maintenance Schedule and Record Log.

Engine oil and filter change	each 7,500 miles or 6 months
Spark plug change	each 30,000 miles
Air filter replacement	each 30,000 miles
Engine coolant replacement	each 30,000 miles or 3 years

Measurements

	Sedan	Wagon
Wheelbase	114.3"	114.3"
Length	211.0"	216.0"
Height	55.5"	57.0"
Width	77.5"	79.3"
Front tread	62.2"	62.2"
Rear tread	62.0"	62.0"
Trunk capacity/ Cargo volume index (cu. ft.)	22.4*	88.2**
Fuel capacity (gal.)	18.0	18.0
Curb weight (lb.)	3,779	3,991
Passenger capacity	6	6+

Based on Motor Vehicle Manufacturers Association data. *With standard mini-spare tire. **Plus 9.9 cu. ft. in a lockable storage compartment beneath the load floor (5.7 cu. ft. with dual facing rear seats, 7.7 cu. ft. with cushions removed) and 2.0 cu. ft. in a lockable side storage compartment. + Eight with optional dual facing rear seats.

5-mile-per-hour bumpers

Bumpers on Ford LTD Crown Victoria are designed to help protect lamps, cooling system, exhaust and other body components in the event of a minor impact. While some manufacturers equip their cars with bumpers that just meet the 2 1/2-mph federal standard, Ford equips LTD Crown Victoria and every other car it makes with bumpers designed to absorb impacts of 5-mph.

Participating Ford Dealers offer the Lifetime Service Guarantee, which guarantees their work on your Ford vehicle for as long as you own it. This means that the covered repair is paid for once — and never again. If it ever has to be fixed again, the repairing dealer will fix it free. Free parts. Free labor. Even if the car is kept a lifetime. It doesn't matter where it was purchased, or whether it's new or used; the work is still covered by the repairing dealer. Ask to see this limited warranty when you visit your participating Ford Dealer.

Optional Ford Extended Service Plans cover major components on new Ford cars and light trucks for longer than the vehicle's basic warranty. The cost of this added protection is so moderate that it could pay for itself the first time you need it. Your Ford Dealer has full details.

Genuine Ford and Motorcraft original equipment replacement parts meet the same high standards as those installed in production.

Ford Motor Credit Company is interested in helping to fill the transportation needs of every qualified buyer of a Ford product. A participating dealer can arrange financing terms or a Red Carpet Lease® tailored to your circumstances. Ford Credit has offices conveniently located throughout the United States.

Ford-paid repair programs after the warranty period

Sometimes Ford Motor Company offers adjustment programs to pay all or part of the cost of certain repairs. These programs are intended to assist owners and are in addition to the warranty or to required recalls.

Technical service bulletins

All vehicles need repairs during their lifetime. Sometimes Ford issues technical service bulletins (TSBs) and easy-to-read explanations describing unusual engine or transmission conditions which may lead to costly repairs, the recommended repairs, and new repair procedures. Often a repair now can prevent a more serious repair later.

For more information...

Ask Ford Motor Company or your Ford or Lincoln-Mercury dealer about Ford-paid repair programs and/or TSBs relating to your vehicle.

To get copies of materials for your vehicle or the vehicle of interest to you: Call Ford toll-free at 1-800-241-3673. Alaska/Hawaii call 1-800-241-3711 and in Georgia call 1-800-282-0959.

Or write Ford at:
Ford Customer Information System
Post Office Box 95427
Atlanta, Georgia 30347
We'll need your name and address; year, make, model and vehicle identification number, as well as engine size.

Options availability

Options shown or described in this catalog are available at extra cost and may be offered only in combination with other options or subject to additional ordering requirements or limitations.

Product changes

Ford Division reserves the right to change product specifications at any time without incurring obligations.

"Ask your Ford Dealer"

Following publication of this catalog, certain changes in standard equipment, options, prices and the like, or product delays, may have occurred which would not be included in these pages. Your Ford Dealer is your best source for up-to-date information.
