# LINCOLN 2009 TOWN CAR

**THE POWER OF EIGHT.** A supremely smooth 4.6L V-8 engine, with 239 hp and 287 lb.-ft. of torque, is at the heart of every 2009 Lincoln Town Car. With Flex Fuel capability, it even provides the power of choice at the pump: E85 or gasoline. Town Car can operate on E85 (85% ethanol/15% gasoline), gasoline, or any combination of the two. As you drive, an advanced Powertrain Control Module determines the ethanol/gas mixture and automatically adjusts for optimum performance. A 4-speed electronic automatic overdrive transmission delivers precise shifting, while a sophisticated electronic engine management system determines optimum shift points for maximum fuel economy.

**AN UNRUFFLED TRAVELER.** Town Car's legendary reputation as a velvety ride stems from the solid foundation of its full-length frame. Up front, hydroformed frame rails optimize the positioning of its independent-suspension components for enhanced handling and responsive steering. Monotube shock absorbers react quickly for precise control, while front and rear stabilizer bars help keep the vehicle level through the corners. And even at low speeds, Town Car lends a hand. While parallel parking, for instance, its power-assisted rack-and-pinion steering makes it easy to turn the wood and leather-trimmed steering wheel. At highway speeds, the steering system's limited assistance ensures even inputs.

**DELIGHT YOUR FINGERTIPS. ENGAGE YOUR SOUL.** Conveniently located buttons on the leather- and wood-trimmed steering wheel let you adjust your audio, climate and cruise control systems with ease. Welcome to cruising at its best. Lincoln Town Car.

# LINCOLN 2009 TOWN CAR

**5 STARS IN ALL FIVE CATEGORIES, SEVEN YEARS IN A ROW.** Lincoln Town Car is the first automobile ever to receive the government's highest 5-Star crash test rating<sup>1</sup> in all five categories – an achievement it has garnered for seven years in a row (2003–2009). In the event of certain frontal impacts, Town Car responds quickly by engaging the Personal Safety System<sup>®</sup> to control safety belt tension as well as the energy deployment level of the dual-stage front airbags. In certain side-impact collisions, Town Car's front-seat side airbags for the driver and right-front passenger, and the side-intrusion door beams located in all four doors, enhance occupant safety.

**MANEUVERING MASTERY.** Every Lincoln Town Car is equipped with 4-wheel disc brakes and an Anti-lock Brake System (ABS). During hard braking, ABS electronically "pumps" the brakes multiple times per second to provide greater steering control precisely when you need it most. All-Speed Traction Control improves traction on loose or slippery surfaces by using a combination of braking and engine control to reduce wheel spin and help you maintain your composure.

<sup>1</sup>Star ratings are part of the U.S. Department of Transportation's Safercar.gov program ([www.safercar.gov](http://www.safercar.gov)).

**FORD CREDIT** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Lincoln Mercury Dealer for details or check us out at [fordcredit.com](http://fordcredit.com).

**FORD MOTOR COMPANY INSURANCE SERVICES** Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1.877.367.3847, or visit us at [fordvip.com](http://fordvip.com) for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

**FORD EXTENDED SERVICE PLAN** For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Genuine Lincoln Accessories will be warranted for whichever provides you the greatest

benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 4-year/50,000-mile New Vehicle Limited Warranty. Contact your local Lincoln Mercury Dealer for details and a copy of the limited warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. Contact your Lincoln Mercury Dealer for details regarding the manufacturer's limited warranty and/or a copy of the LLA product limited warranty offered by the accessory manufacturer.

Complimentary maintenance makes driving your Lincoln even more of a pleasure. Simply bring it to an authorized Lincoln service center, and scheduled maintenance will be performed at no charge throughout your first year of ownership or 12,000 miles, whichever comes first. Additional peace of mind comes from a 4-year/50,000-mile bumper-to-bumper New Vehicle Limited Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile powertrain limited warranty which features no deductible and is fully transferable. And Roadside Assistance for 6 years or 70,000 miles provides the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Lincoln Mercury Dealer will provide complete details on all of these privileges.

Comparisons based on 2008 competitive models (Traditional Full-size Luxury Car class), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following release of this PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages.
