

2010 Jeep[®]
Patriot

Adventure begins.

Classic Jeep® brand styling steps up to merge with very modern creature comforts and technologies to make the 2010 Jeep Patriot one of the best 4WD values on the road today. Hailed as the most fuel-efficient 4x4 in its class,⁽¹⁾ Patriot is also one of the least expensive SUVs out there to own.⁽²⁾ With an available powertrain born of legendary capability, Patriot can shuttle you from busy urban streets to scenic wooded trails and beyond with authentic ease. Jeep brand prowess is paired with a very long list of standard and available premium features. Choose from two Patriot models, the playful Sport or the well-appointed Limited. You can outfit Patriot with innovative features like a Media Center 730N radio with GPS navigation, SIRIUS® Satellite Radio, power sunroof, or Freedom-Drive II active full-time four-wheel-drive, to name just a few. Head out with purpose, and build from there. This is how you enjoy living the Jeep life and everything it has to offer.

⁽¹⁾When equipped with Freedom-Drive I™ 4WD system and 5-speed manual transmission (28 hwy mpg). Based on EPA estimates as applied to the 2009 *Ward's* Small Cross/Utility Vehicle class. ⁽²⁾When properly equipped. Based on Edmunds.com study of '09 models conducted July 2009.

How a trademark becomes a benchmark.

With the 2010 Jeep® Patriot, you're going places. Should your travels require navigation through severe conditions such as deeper snow and sand, go with the available Freedom-Drive I active full-time 4WD with LOCK Mode and an available CVT automotive transaxle with AutoStick® shifter with six distinct "speeds." AutoStick allows the driver to maximize engine braking, control upshifts, downshifts, and optimize overall performance and control.

Patriot's available Trail Rated® Freedom-Drive II Off-Road Group helps earn Patriot the nod for best-in-class off-road capability.⁽¹⁾ It's due to the group's active, full-time 4WD with LOCK Mode, Hill Descent Control (HDC) with grade sensing and Hill Start Assist (standard on Freedom-Drive II 4WD as well as manual transmission equipped models), skid plates, tow hooks, increased ground clearance, all-terrain tires, heavy-duty cooling and alternator, and driver-seat height adjuster matched to a Continuously Variable Automatic Transaxle (CVT2L) with 19:1 crawl ratio.

Four-wheel independent "touring tuned" suspension improves on-road handling and cornering yet provides a smooth ride. A brawny yet efficient 2.4L dual VVT engine achieves best-in-class 4WD EPA estimated 28 highway mpg,⁽²⁾ while delivering 172 hp and 165 lb-ft of torque. Patriot's 2.0L four-cylinder engine cranks out a healthy 158 hp and 141 lb-ft of torque and delivers up to 29 EPA estimated highway mpg.⁽³⁾

⁽¹⁾When properly equipped with Freedom-Drive II Off Road Group. Based on overall static scoring of available features vs. 2009 *Ward's* Small Cross/Utility Vehicle segment. ⁽²⁾2009 EPA est. 23 city/28 hwy mpg; 4WD models equipped with 5-speed manual transmission.

⁽³⁾Based on 2WD models equipped with 5-speed manual.

JEEP TRAIL RATED® vehicles are designed to perform in a variety of off-road conditions. Five performance categories outline the superior capabilities that all Trail Rated vehicles share.

ARTICULATION

A Trail Rated suspension system is limber like a gymnast. How exactly? Flexibility is the key to good articulation. The more a wheel can travel and suspension flex, the better it can maintain contact with terra firma and provide the traction needed to cross an array of obstacles.

TRACTION

The vehicle maintains forward momentum through the tires staying in contact with the road or trail. Trail Rated traction helps you stay in control on untamed terrain, slippery (wet, mud, snow) conditions, and on steep grades.

MANEUVERABILITY

Athletic. Agile. Trail Rated. Jeep 4WD vehicles have the footwork to help navigate narrow gaps, dodge emergency situations and avoid cosmetic damage to the underbody, thanks to precision steering and optimized wheelbases.

GROUND CLEARANCE

Help keep your belly out of the mud. Clear nasty logs, rocks, and uneven ground while helping to prevent undercarriage damage. Trail Rated vehicles feature optimized approach, departure, and breakover angles to keep you in the clear.

WATER FORDING⁽¹⁾

Hit that riverbed with confidence. A Trail Rated Jeep vehicle features additional electrical and body sealing, along with a high air intake location for optimum water fording capability.

⁽¹⁾Do not attempt water fording unless depth is known to be less than 19 inches. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.

Happiest with **room to move.**

Air of confidence.

★★★★★
FIVE-STAR | HIGHEST GOVERNMENT
SIDE CRASH TEST RATING

Jeep® Patriot received the highest marks — Five Stars — during side crash tests performed as part of the U.S. Department of Transportation's SaferCar.gov program.⁽¹⁾ This means you can head out with confidence, knowing you're outfitted with a comprehensive set of safety and security features.

Patriot's air bag⁽²⁾ system includes a front and rear side-curtain and advanced multistage driver and front passenger air bags. Front seat active head restraints move forward and upward in the event of a rear-end collision to decrease the space between the headrest and occupant's head, thereby helping to reduce the chance of injury — a new and standard safety feature.⁽³⁾ The standard Electronic Stability Control (ESC)⁽⁴⁾ integrates a host of systems that includes a four-wheel antilock brake system (ABS), all-speed traction control, a Brake Assist system that automatically helps provide strong braking power in emergency situations, Electronic Roll Mitigation (ERM) that can apply strategic, appropriate braking and reduce engine power when overly sharp steering actions and/or impending wheel lift is detected, Electronic Brake Distribution (EBD), Hill Start Assist and available Hill Descent Control (HDC). Patriot's safety cage structure contains a front crumple zone that absorbs energy during a frontal impact and a high-strength crossbeam under the rear seat area that helps transfer side-impact energy from one side to the other. Plus, a standard Sentry Key® Antitheft Engine Immobilizer makes it virtually impossible to drive without a valid key.

⁽¹⁾Star ratings are part of the U.S. Department of Transportation's SaferCar.gov program (safercar.gov). ⁽²⁾The Advanced Front Air Bags in this vehicle are certified to the new Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. Air bags shown deployed for illustrative purposes only. ⁽³⁾Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. ⁽⁴⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt.

Beat inflation issues.

The Tire Pressure Warning Lamp and available Tire Pressure Monitoring Display (shown) provide notification of high or low pressure on individual tires via an instrument panel readout or warning light (depending on system).

Jeep® Patriot Sport with Freedom-Drive II Off-Road Group shown in Inferno Red Crystal Pearl.

Sky-high tech.

With Uconnect™, you're always connected — to people, places, music, movies, and the Internet.

Voice Command. Lets you select radio stations, satellite radio channels,¹⁾ and navigation²⁾ destinations using voice commands. Works with all Uconnect Media Center radios. Included with Uconnect Phone.

Uconnect Phone. Lets you talk on your Bluetooth® compatible phone virtually hands-free. Address Sync³⁾ lets you call anyone in your address book by saying their name.

Audio Jack. Connect a 3.5-mm audio cable from your MP3 player, phone, or electronic book reader to play audio through your car's speakers.

Media Center 730N AM/FM/CD/DVD⁴⁾ Radio with 30GB Hard Drive and GPS

Navigation. 6.5-inch touch screen, MP3/WMA support, USB input, 4,250 song capacity, SIRIUS® Satellite Radio,⁴⁾ SIRIUS Traffic,⁵⁾ and Voice Command.

iPod® Control. Connect most iPod-compatible devices to your car's stereo using the in-car cable; then control them with your radio or steering wheel controls. Keeps the devices charged too.

Uconnect Web.⁶⁾ An in-car router that connects any Wi-Fi-enabled device to the Internet at 3G broadband speeds, allowing multiple passengers to surf the Web and social networks, look up directions, check eMail, or download music. Uconnect Web is an Authentic Jeep® Accessory by Mopar. Subscription required, sold separately.

¹⁾When satellite radio and navigation features are equipped on your vehicle. Any voice-commanded system should be used only in safe driving conditions and all attention should be kept on the roadway ahead. Failure to do so may result in an accident causing serious injury or death. ²⁾Phone must support Bluetooth Phone Book Access Profile (PBAP) ³⁾In-dash DVD capability not available in all states. See your dealer for details. ⁴⁾SIRIUS service available only in contiguous United States and D.C. Service available in Canada; see siriuscanada.ca. Subscription required after 12-month subscription included with vehicle purchase. Subscriptions governed by SIRIUS Terms & Conditions available at sirius.com. SIRIUS, XM, and all related marks and logos are trademarks of SIRIUS XM Radio Inc. and its subsidiaries. ⁶⁾The Uconnect Web feature is not intended for use by the driver while the vehicle is in motion.

An easy upscale climb.

The standard and available creature comforts found on the 2010 Jeep® Patriot can soothe any savage beast. The standard illuminated cup holders situated in the full-length center console give off a happy glow during nighttime driving. The standard 12-volt power outlet satisfies your power-hungry take-alongs, including laptops and hand-held electronic toys. An enviable 368-watt, 9-speaker Premium Sound System with flip-down liftgate speakers and a power sunroof is available as part of the Sun and Sound Group.

Patriot Limited's standard interior reveals premium leather trim throughout with standard power and heated front seats, a leather-wrapped parking brake and steering wheel with audio and speed controls. Limited entertains and informs with a standard Media Center 230 6CD/DVD/MP3 radio⁽¹⁾ support multimedia radio (available on Sport), available features like SIRIUS® Satellite Radio with a one-year subscription, and an iPod® control that allows you to hook up your iPod® and access its controls through the touch-screen radio.

Patriot Sport offers seating for five in deluxe cloth. Upgrade to the premium Stain Repel⁽²⁾ stain-resistant, odor-resistant, antistatic premium seat fabric and you'll fear no slime or spills.

⁽¹⁾In-dash DVD capability not available in all states. See your dealer for details.

⁽²⁾Not compatible with aftermarket fabric-protecting coatings.

Fold-Flat Front Passenger Seat.

Jeep® Patriot Limited leather-trimmed interior shown in Dark Slate Gray. Optional Automatic Temperature Control, late availability.

Jeep® Patriot Limited shown in Light Sandstone Metallic with Sports Utility Bars, an Authentic Jeep Accessory by Mopar.

Your answer to nature's call.

The 2010 Jeep® Patriot welcomes travel enthusiasts with a loaded cache of standard equipment, including Electronic Stability Control (ESC)⁽¹⁾ with Electronic Roll Mitigation (ERM), a four-wheel antilock brake system (ABS), and traction control.

Standard fog lamps, 17-inch cast aluminum wheels and silver body-side molding help Patriot Limited make an impressive appearance both on the trail and off. Limiteds equipped with an automatic transmission also include a new and standard Tip Start that gets your engine going with a simple flick of the wrist. The new available heated power side mirrors are a functional safety and security feature. A 6-way power driver seat is new and standard on Limited.

Authentic Jeep brand good looks give Patriot Sport a naturally attractive profile, with a body-color seven-slot grille, door handles, and liftgate applique. Sport gives you two window choices: the chic, unique option of manual roll-ups or available power windows with driver's one-touch down. Either way you're looking good.

⁽¹⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt.

Rearrange your world.

Patriot's configurable interior lets you arrange things to your liking. The standard 60/40 fold-flat rear seats offer an available recline feature for up to 12 degrees of added rear seat relaxation. When you answer the call of the wild, be sure to properly secure all cargo.

POWERTRAIN

Engine (Standard on Limited, 4WD models only)	2.4L DOHC 16V dual VVT I-4
Displacement (cu in/cc)	144/2,360
Horsepower (SAE net @ rpm)	172 @ 6,000
Torque (SAE net @ rpm)	165 @ 4,400
Engine (Standard on Sport, 2WD models only)	2.0L DOHC 16V dual VVT I-4
Displacement (cu in/cc)	122/1,998
Horsepower (SAE net @ rpm)	158 @ 6,400
Torque (SAE net @ rpm)	141 @ 5,000

Fuel System Sequential multiport, electronic fuel injection with electronic throttle control

Fuel Recommendation Unleaded regular, 87 octane (R+M)/2

Engine Construction/Fuel Delivery High-pressure die-cast aluminum block with dry iron liners, cast aluminum cylinder head, forged crankshaft, dual counter-rotating balance shafts (2.4L) Std.

Intake Design Tuned intake manifold with Electronic Active Charge Motion Control valves, 4 valves per cylinder, electronically controlled, dual Variable Valve Timing Std.

Exhaust System Oversized displacement muffler for reduced back pressure and noise, long-life design Std.

TRANSAXLE

5-speed manual with overdrive, ratio range (:1) 3.77 – 0.72 (1st – 5th) overall top gear ratio: 2.97 Std.

Continuously Variable (CVT2) Automatic with 30-mm high-strength multilayer steel drive belt, ratio range (:1), 2.35 – 0.39; overall top gear ratio: 2.41 Opt.⁽¹⁾

Continuously Variable (CVT2L) Automatic with 30-mm high-strength multilayer steel drive belt, ratio range (:1), 2.35 – 0.39; overall top gear ratio: 3.21, unique final drive with 19:1 crawl ratio feature (requires Freedom-Drive II Off Road Group) Opt.⁽¹⁾

DRIVE SYSTEMS

Front-wheel drive (4x2) transaxle with constant velocity joints and equal-length half shafts Std.

Freedom-Drive I active, full-time 4-wheel drive (4WD) with selectable 4WD LOCK Opt.

Freedom-Drive II active, full-time 4-wheel drive (4WD) with selectable 4WD LOCK, Off-Road mode and 19:1 overall crawl ratio Opt.⁽²⁾

CAPACITIES/WEIGHTS/TOWING (pounds unless otherwise specified)

Fuel Tank (gal) (2WD/4WD) 13.6/13.5

Base Model Curb Weight 5-speed manual (2WD/4WD) 3,115/3,261

CVT2 (2WD/4WD) 3,196/3,339

Payload Capacity (includes occupants and cargo) 925

Maximum Gross Vehicle Weight Rating 4,575

Maximum Loaded Trailer Weight (when properly equipped) 2,000

Tongue Load Limit (when properly equipped) 225

NOTE: For specific towing details, discuss your plans with your Jeep dealer who will help you select the right equipment to meet your specifications.

⁽¹⁾Available and included with 2.0L engine. ⁽²⁾Available and included only with optional Freedom-Drive II Off-Road Group. ⁽³⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt.

BODY/SUSPENSION/CHASSIS

Body Design Unitized steel construction with a structural safety cage utilizing advanced hot-stamped, tailor-rolled, dual-phase steel technologies and advanced joint design for added strength, reduced weight and improved NVH, front crumple zone

Suspension

Front: Independent with MacPherson struts, and coil springs over gas-charged shocks, stabilizer bar

Rear: Independent multilink with coil springs and gas-charged shocks, stabilizer bar

Steering Power-assisted, rack-and-pinion (firmer feel on Limited)

Overall Ratio 16.4:1

Turning Diameter (curb-to-curb) (ft) 35.6

Turns (lock-to-lock) 2.9

Brake System

ABS, 4-wheel disc hydraulic, power-assisted, 11.5" vented front/10.3" with solid rear (rear drums on 2WD Sport model) Std.

Electronic Stability Control (ESC)⁽³⁾ 4-channel, 4-wheel antilock with active wheel speed, vehicle-speed, steering-wheel angle, yaw-rate, and lateral-acceleration sensors, vehicle stability management with two-stage activation switch, all-speed traction control, Brake Assist, Electronic Roll Mitigation and Electronic Brake Distribution (4WD brake traction control and off-road ABS features also included with Freedom-Drive II Off-Road Group) Std.

Parking Brake Type Drum-in-hat

INTERIOR DIMENSIONS (inches unless otherwise specified)

Seating Capacity 5 Adults

Head Room front/front with sunroof/rear 41.0/39.6/39.9

Leg Room front/rear 40.6/39.4

Shoulder Room front/rear 54.6/54.0

Hip Room front/rear 52.3/51.0

Cargo Volume rear seat up/folded/rear seatback folded and available front-passenger seatback folded (cu ft) 23.0/54.2/62.7

Cargo Liftover Height 30.7

EXTERIOR DIMENSIONS (inches unless otherwise specified)

Wheelbase 103.7

Overall Length 173.6

Overhang front/rear 34.8/35.1

Overall Width (without mirrors) 69.1

Track front/rear 59.8/59.8

Overall Height (with roof rails/without roof rails) 65.7/64.4

Running Ground Clearance (at curb weight) 8.1/9.0⁽⁴⁾

NOTE: Patriot Sport specifications shown above.

⁽⁴⁾When equipped with Freedom-Drive II Off-Road Group. Standard measurements are with P215/60R17 tires.

⁽¹⁾Not compatible with aftermarket fabric-protecting coatings. ⁽²⁾The Advanced Front Air Bags in this vehicle are certified to the new Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. ⁽³⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ⁽⁴⁾In-dash DVD capability not available in all states. See dealer for details. ⁽⁵⁾SIRIUS service available only in contiguous United States and D.C. Service available in Canada; see siriuscanada.ca. Subscription required after 12-month subscription included with vehicle purchase. Subscriptions governed by SIRIUS Terms & Conditions available at sirius.com. SIRIUS, XM, and all related marks and logos are trademarks of SIRIUS XM Radio Inc. and its subsidiaries. ⁽⁶⁾Phone must support Bluetooth Phone Book Access Profile (PBAP). ⁽⁷⁾The Uconnect Web feature is not intended for use by the driver while the vehicle is in motion.

Jeep

Jeep Jamboree USA offers off-road adventure weekends that bring together the outdoors, down-to-earth people and their Jeep 4WD vehicles. We invite you to explore America's remote back-country, where great friendships and memories are made. jeep.com/jamboree

5-Year/100,000-Mile Powertrain Warranty

Transferable. See dealer for a copy of limited warranty. Includes towing to an authorized dealer.

Warranty Jeep vehicles are covered by a Chrysler Group LLC 3-year or 36,000-mile Basic Limited Warranty. See your dealer for a copy of this limited warranty. Excludes normal maintenance and wear items.

Jeep Auto Insurance⁽¹⁾ The only insurance guaranteed to repair your vehicle using Authentic Jeep Collision Repair Parts by Mopar for as long as you own your vehicle — at rates that are tough to beat. Plus, get up to \$100⁽²⁾ in deductible waived when repairs are done at a Jeep dealership. For a quote, call (877) 244-1531 or visit cf.com/insurance.

Chrysler Service Contracts Chrysler has a vested interest in your satisfaction with your new Jeep vehicle. Chrysler Service Contracts offer extended service plans to help ensure that you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information, see your Jeep dealer, call (800) 442-2666 or visit jeep.com/csc.

Authentic Jeep Accessories by Mopar are designed specifically for your Jeep vehicle for exceptional fit, finish, and performance. Visit your dealership or mopar.com.

UconnectTM With Uconnect, you're always connected — to people, places, music, movies, and the Internet.

SIRIUS® Satellite Radio delivers over 130 channels, including 100% commercial-free music, sports, news, talk, entertainment, traffic, and weather. Factory-installed SIRIUS Satellite Radio includes a one-year subscription. For more information, go to sirius.com.

SmartWay® Certain Patriot models have earned the highly esteemed SmartWay certification. The SmartWay certification mark identifies each vehicle's air pollution and greenhouse gas performance.⁽³⁾ Lower emissions earn a higher score, and those vehicles with the best scores are eligible for the SmartWay designation.

Trail Rated® An authentic Jeep brand Trail Rated badge is a visual reminder of the capabilities built in — the symbol of a genuine, tried-and-true Jeep 4x4. Accept no substitutes.

Tread Lightly!® As a founding member and official partner, we urge all Jeep owners to follow Tread Lightly! Guidelines. To learn more, call (800) 966-9900 or visit treadlightly.org.

Honoring Those Who Serve Chrysler Group LLC proudly supports the members of the U.S. Armed Forces and their families.

⁽¹⁾Insurance provided through 21st Century Insurance and Financial Services, Wilmington, DE, managing general agent for the personal lines insurers of American International Companies. ⁽²⁾Coverage features and availability may vary by state. ⁽³⁾Based on 2009 EPA SmartWay Designation. Please visit epa.gov/greenvehicles for a list of the specific vehicle types that meet the SmartWay standards. SmartWay is a registered trademark of the U.S. Environmental Protection Agency.
