CHRYSLER

---

# FIFTH AVENUE

Optional 60/40 leather front seat shown in Silver.

Chrysler Fifth Avenue with vinyl landau roof, shown in Radiant Silver Crystal Coat.

## THE COMPLETE TRADITIONAL LUXURY CAR

Chrysler has added the dimension of honest value to the traditional luxury car with Fifth Avenue. In 1985 that value continues as Fifth Avenue offers an industry standard of more than fifty features *and* Chrysler Corporation's exceptional 5/50 Protection Plan.\*

Fifth Avenue's smooth, comfortable traditional luxury car ride is the result of its full-size 112.7-inch wheelbase and a proven suspension combining front transverse torsion bars and an antisway bar, rear leaf springs and shock absorbers. Reliable, on-demand power for freeway cruising, even with full passenger and luggage compartments, is present with a tried and true Chrysler-designed and Chrysler-built 5.2-liter V-8 engine coupled to a TorqueFlite three-speed automatic transmission.

The Chrysler Fifth Avenue is the logical choice in luxury in 1985. It will even make you feel a little smug about the smart buy it represents.

\*Chrysler Corporation's 5/50 Protection Plan extends limited warranty coverage on power train components, including engine, transmission and axle—plus outer panel rust-through protection, to five years or 50,000 miles, whichever comes first. A deductible may apply. Fleet and lease vehicles are excluded. See your dealer for details.

**About this catalog.** We have tried to make this catalog as complete as possible. And we hope you will find it useful. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

Some of the equipment shown or described throughout this catalog is available at extra cost.

Chrysler Fifth Avenue with white landau roof and optional cast aluminum road wheels, shown in White Crystal Coat.

## THE SHAPE OF DISTINCTION

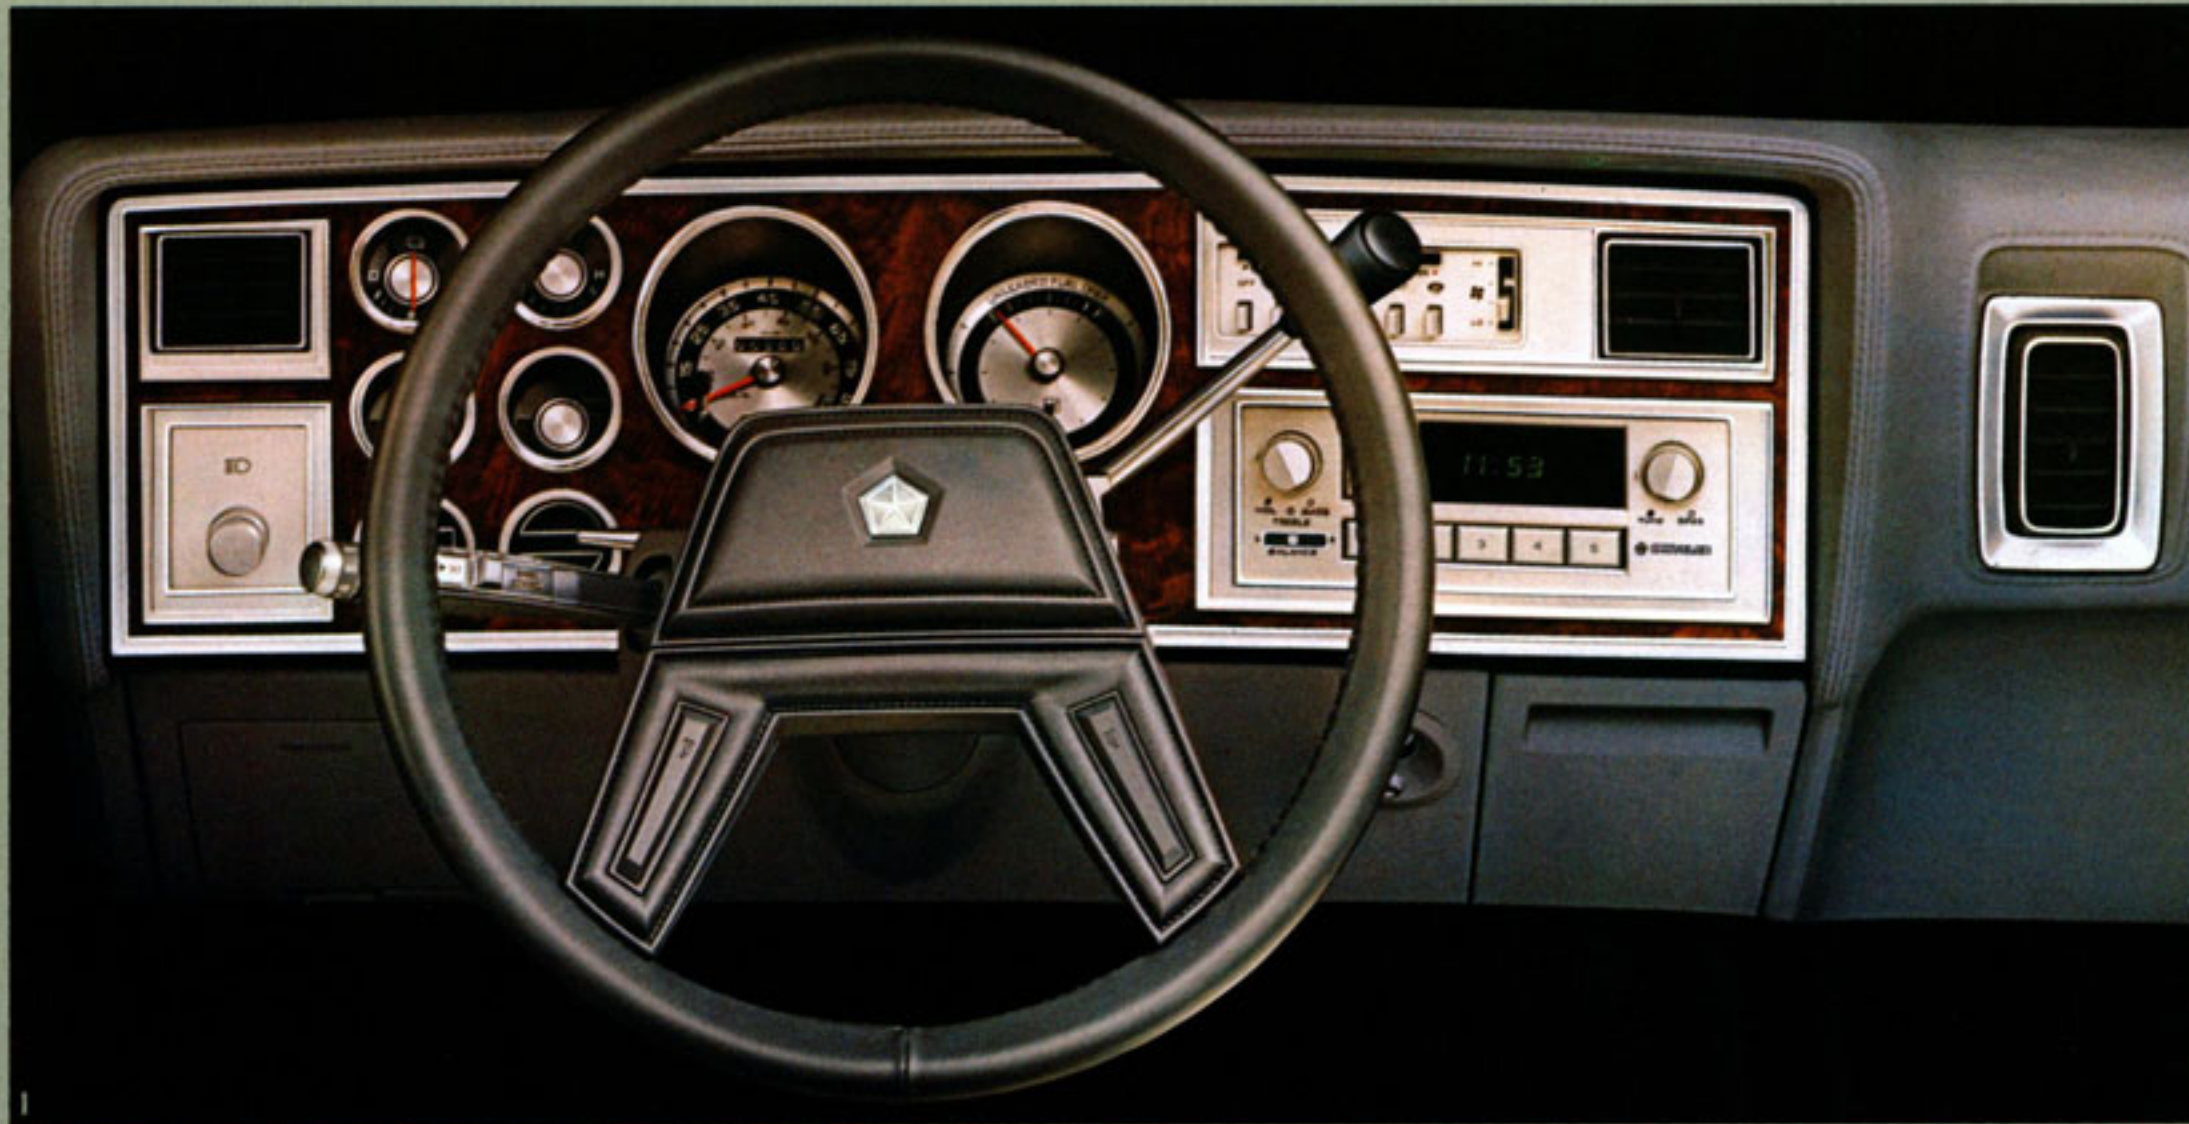

The 1985 Chrysler Fifth Avenue maintains a timeless, distinctive formal roofline and smooth body lines accented with bright metal trim. Yet the traditional lines embody a high tech motor car, put together with computer-assisted manufacturing that includes robotic welding and extensive corrosion-fighting techniques.

Fifth Avenue's four doors open to a roomy, plush interior that delivers its promised comfort every time you enter. The 60/40 individually adjustable front seat and the rear bench seat are covered in rich velvet cloth. Leather-and-vinyl seat coverings are an option included at significant savings in the Luxury Equipment Package.

The Luxury Equipment Package is a way to increase the already significant value found in the 1985 Chrysler Fifth Avenue. With this optional package you can realize savings on the suggested retail price of a group of options including deluxe intermittent windshield wipers, power door locks, power deck lid release, illuminated entry system, AM/FM stereo radio with premium speaker system,\* power antenna and much more.

Add this package to the lengthy list of features standard on Fifth Avenue—items such as automatic temperature control air conditioning, automatic transmission, plush pillow seats with front passenger seat recliner, special sound insulation, rear window defroster, dual remote control mirrors, premium plush pile carpeting—and you have a luxury car value difficult to match anywhere.

\*Not available with Ultimate Sound Radio.

OPTIONS (pictured)

Models, packages and options are subject to specific restrictions, requirements and late availability. Consult your dealer for current ordering information.

**1. Luxury Leather-Wrapped Steering Wheel** provides you with a comfortable, sure-gripping and handsome surface. It is color-keyed to compliment your interior selection, and is included in the Luxury Equipment Discount Package.

**2. Power Glass Sun Roof** enables you to enjoy that open air feeling with great convenience. At the touch of a switch, the tinted glass roof panel opens and closes. When closed, the panel seals tightly against noise, dirt, rain and snow.

**3. Ultimate Sound Stereo** is the optimum Chrysler sound system. It includes 36-watt AM stereo\*/FM stereo radio, electronic tuning, memory scan, up-and-down scan, cassette player with

automatic reverse and metal tape capability, Dynamic Noise Reduction (DNR),<sup>†</sup> five-channel graphic equalizer, joystick/fader control, ambience sound control, and an integral digital clock.

<sup>\*</sup>Limited AM stereo reception may be experienced in some areas because some AM stereo broadcasting is not compatible with this radio's reception capabilities.

<sup>†</sup>DNR (Dynamic Noise Reduction) is a trademark of National Semiconductor Corporation.

**4. Automatic Speed Control** enables you to remove your foot from the accelerator pedal and alter your driving position for comfort on long drives. Also helps conserve fuel by permitting you to drive at a more constant speed.

**5. Illuminated Visor Vanity Mirror** provides your traveling companion with a lighted mirror that is hidden away when not in use.\*

\*Included with purchase of optional Luxury Equipment Package (see below).

OPTIONAL PACKAGES

LUXURY EQUIPMENT PACKAGE

<sup>1</sup>Limited AM stereo reception may be experienced in some areas because some AM stereo broadcasting is not compatible with this radio's reception capabilities.

<sup>2</sup>DNR (Dynamic Noise Reduction) is a trademark of National Semiconductor Corporation.

## STANDARD SAFETY FEATURES

- Safety-Rim wheels
- Combination lap-shoulder belts for the driver and right front passenger, and lap belts for all other passengers
- Seat belt reminder system
- Energy-absorbing steering wheel
- Dual braking system with separate brake fluid reservoirs in the master cylinder
- Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied)
- Hazard warning flashing system
- Turn signals with lane-change feature
- Electronic ignition
- Backup lights
- Energy-absorbing sun visors
- Front seat head restraints
- Energy-absorbing front seatbacks
- Inside and outside rearview mirrors
- Side marker lights and reflectors
- Seatback latches on folding seats
- Fade-resistant front disc brakes
- Electric windshield washers and wipers
- Anti-theft ignition and steering column lock
- Headlamp and wiper circuit breakers with automatic reset
- Key-left-in-ignition warning
- Nonoverride door locks (except driver's door)
- Resilient window crank knobs
- Side door beams
- Dual throttle return springs
- Interlocking door latches
- Recessed inside door release handles
- Rotary glove box latch
- Reinforced windshield header and roof
- Glare-reduction measures for windshield wipers, instrument panel, and steering wheel
- Double ball-joint rearview mirror mount.

## OPTIONAL 5/50 SERVICE CONTRACT COVERAGE

Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Coverage starts on the specified components after your vehicle's basic warranty expires and continues for five years or 50,000 miles (whichever occurs first) from the original warranty start date. A deductible applies.

Allowances for car rental and towing are also included. Ask your dealer for details. Buckle up for safety.

## FIVE-YEAR/50,000-MILE PROTECTION PLAN

Warranty protection is a matter of confidence. And Chrysler Corporation

is so sure of the care and precision that go into each Chrysler that they offer the Five-Year/50,000-Mile Protection Plan. It speaks for itself.

Upon expiration of the normal 12-month/12,000-mile limited warranty, limited warranty coverage is extended on power train components, including engine, transaxle, axle and turbocharger—plus outer panel rust-through protection—to five years/50,000 miles, whichever comes first. A deductible may be required. Fleet and lease vehicles excluded. See your dealer for details.

## CONSIDER LEASING

In these days of tight money and high interest rates, more consumers are considering leasing as an alternative to buying. Leasing a new Chrysler Fifth Avenue usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

All product illustrations and specifications are based on authorized information. Although descriptions are believed correct at publication approval, accuracy cannot be guaranteed. Chrysler Corporation reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

MOPAR parts are engineered by Chrysler Corporation for use in your new Chrysler Fifth Avenue. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.

At Chrysler we have one and only one ambition: To be the best!  
What else is there?

That's why we helped convert a smokestack industry into a high tech industry with robotics, lasers and highly advanced computers. And that's why, today, we are building high mileage products with outstanding quality. As a result, we have led the American automobile industry with unprecedented warranty coverage. We have proved that "Made in America" means something again.

Chrysler has made major strides in quality which have resulted in a total commitment to stand behind our products. No manufacturer has the right to ask people to buy its products unless it has the confidence to back them. Chrysler has made a unique promise: To back every Chrysler we build for five years or 50,000 miles on engine, drive train and outer body rust-through. Nobody else has made that promise.

Today every man and woman at Chrysler has a commitment—a commitment to build the best cars and trucks in the world. Quality. Hard work. Commitment. This is the stuff America is made of. And this is the stuff Chrysler is made of.

*Lee A. Iacocca*

CHRYSLER CORPORATION. WE DON'T WANT TO BE THE BIGGEST, JUST THE BEST.
